WHO WE ARE

We think of ourselves as an extension of our customers. What many consider value adds, we consider vital. Powered by **accountability, security, and accuracy** NPC's scalable exam solutions, give you the peace of mind and confidence to focus on what matters: *delivering a positive testing experience*

WHAT WE DO

PERSONALIZED TRACKING

Sequencing, versioning, inkjetting, and barcoding capabilities available for additional safeguarding.

SECURE EXAM PRODUCTION

Increase chain of custody control and ensure each exam page is printed and inserted accurately.

DATA CAPTURE & SCORE REPORTING

Digitally capture data and convert it to report test results.

KITTING & FULFILLMENT

Let us manage and distribute exam kits and personalized materials to testing locations.

TEST RECONCILIATION

Eliminate the administrative burden of processing exams and reallocate valuable organizational resources.

SECURE WAREHOUSING & DOCUMENT DESTRUCTION

Whether you need to store exam materials or destroy them, NPC has you covered.

WHAT TO EXPECT

FLEXIBILITY

From test booklet and post-exam kit production and management to versioning and sequencing, NPC's capabilities offer solutions for secure print, mail, and fulfillment.

SECURITY

NPC safeguards your sensitive data through our comprehensive, integrated process for managing compliance and regulatory requirements. Our physical, personnel, and information security protects your data from file receipt to delivery.

ACCOUNTABILITY

NPC experts oversee your project to assure quality and accuracy throughout the entire production cycle. Our program managers develop customized processes that include layers of safeguards and controls to ensure the right tests gets to the right person on time, every time.

EXPERIENCE

Backed by decades of experience, we combine innovative technologies and accountable processes to meet mandated delivery schedules and comply with privacy regulations, while delivering a positive testing experience.
